

## DEKA MARINE MASTER FLOODED BATTERIES

The Marine Master flooded battery series rises to the top in user-friendly, marine-tough service and extended reliability. Features

### Starting Power - High Marine Cranking Power

- High cranking power for quick engine starts
- Flush cover, easy to install
- Extra reserve capacity for emergencies
- Maintenance-free design

### Deep Cycle/Starting - The Best of Both Worlds

- High starting and deep cycle capability
- Longer cycling than starting battery
- Extra reserve power for accessory loads
- Rugged vibration-resistant construction

### Heavy-Duty Deep Cycle - True Deep Cycle Service

- More power for trolling and electronic accessories
- Built-in protection against deep discharge damage
- Rugged vibration-resistant construction
- Reliable power for modest starting

## INTIMIDATOR AGM BATTERIES

The Intimidator AGM battery series won't have any trouble meeting marine needs, from starting performance to a boatload of trolling and accessory power.

### Features

- Over 2x the cycle life\* maximizes accessory and trolling power
- 20x more vibration resistant\* for wave-pounding protection
- Safer install and transport with no-spill design to prevent acid leaks
- High freeze-resistance provides better all-weather performance
- Better capacity protection during periods of infrequent use

\*Above and beyond conventional designs
